

HONDA

JAZZ

Load Your Big *Dream.* **JAZZ**

You've found the perfect match to every kind of fun. But remember that Jazz fits so much more than just belongings. It carries those invisible-but-important big things in life. So come and load this space with laughter, adventure and stories you'll tell for a lifetime.

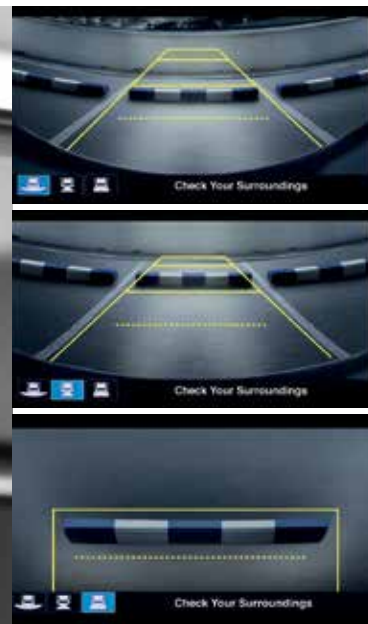

Your Big Delight.

Happiness is having a Jazz by your side. With style and a sparkling personality to match, Jazz attracts the young and youthful-at-heart to live life to the fullest.

Multi-Angle Reverse Camera**
Ease into parking spaces confidently, with a choice of three angles from the reverse camera.

Front Bumper
Redesigned to give a streamlined new look, the bumper is breathtaking to behold.

LED Daytime Running Lights (DRL)**
Energy-efficient LED DRL are illuminated in the daytime to enhance your car's visibility to other drivers.

15-inch Alloy Wheels S, E & Hybrid variants
16-inch Dual Tone Wheels V variant

Alloy Wheels
Two stellar wheel designs for the Jazz will set your heart spinning with delight.

Smart Entry
Enter the car effortlessly without having your key in hand.

Tailgate Spoiler
Make a style statement with a sleek Tailgate Spoiler and integrated third brake light.

Rear Combi Lights
Striking and sporty, the rear lights are made with long-lasting LED lights.

Continuous Variable Transmission (CVT)
Our commitment to the environment led us to build an efficient Earth Dreams Technology™ CVT which shifts effortlessly between gears for smooth and responsive driving.

1.5L i-VTEC Engine
Inject fun into every drive so you can travel more miles with a smile.
Maximum power:
120PS [88kW] / 6,600rpm
Maximum torque:
145Nm [14.8kg-m] / 4,600rpm

Your Big Thrill.

You don't have to choose between an exhilarating drive and fuel economy. The best of both worlds is found in the EEV certified Jazz. With Honda's Earth Dreams Technology™, fuel economy scores an amazing 5.8L/100KM#.

Paddle Shift*
For a more engaging driver experience, reach for the Paddle Shift to swiftly kick the gear up or down a level.

Cruise Control*****
Set your car to auto pilot by selecting a cruise speed and letting your Jazz do the rest.

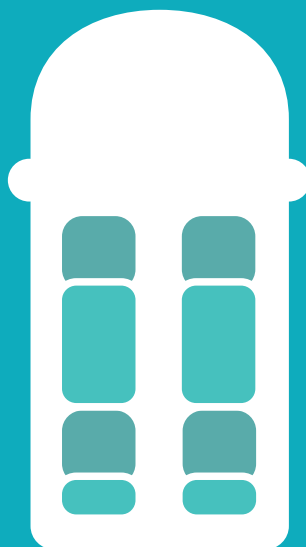

ECON Mode
Conserve fuel by activating ECON Mode as you drive.

Your Big Bliss.

Refresh Mode

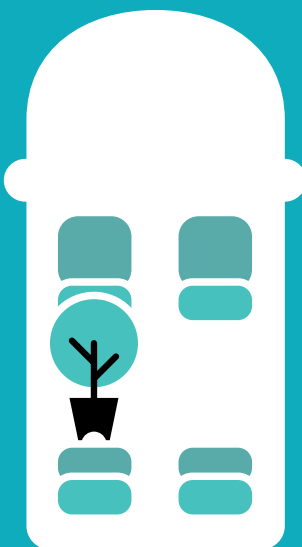

Recharge yourself by reclining the front seats to create a lounge-like setting in which you can stretch your legs.

Long Mode

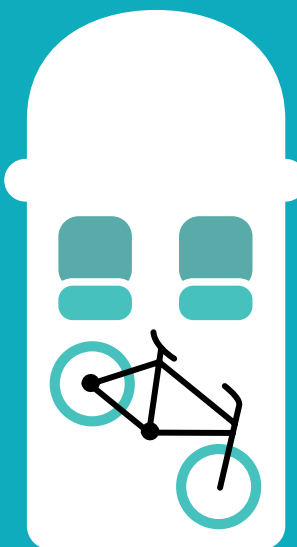

Long objects are no longer a problem. Simply recline the front passenger seat and lower the rear seat to make room.

Tall Mode

Flip the rear seats up to create more floor to ceiling space to fit tall items such as plants and furniture.

Utility Mode

Expand your boot to accommodate a bicycle or other bulky items by flattening both rear seats.

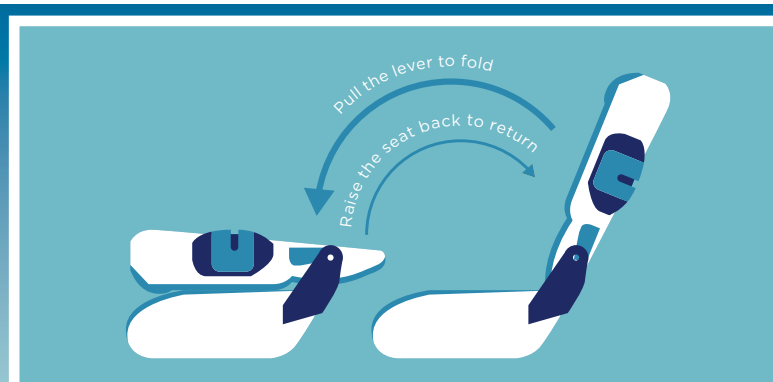

Jazz is the only hatchback that makes creative use of space with ULTRA Seats. Flip them into various modes to fill Jazz with your dreams, whatever they may be.

Unique Centre Tank Layout

Unlike other cars, Jazz has a fuel tank in the centre of the car, which allows for versatile loading space from different angles. Now that's clever design at work!

One Action

An effortless touch folds and reclines the front and rear seats for more space.

Half Leather Seats*

A combination of smooth leather and smart-looking pinstripe fabric.

Fabric Seats***

An elegant geometric pattern marks a new design for the fabric seats.

Glove Box

Keep your essentials within handy reach with this large storage compartment.

9 Cup Holders****

There's room for everyone's favourite beverages with the Jazz's generous amount of cup holders.

LCD Meter Cluster

Bright and bold, an eye-catching Meter Cluster displays essential information at a glance.

Touch Panel Auto Air Conditioning**

A slick and chic touch panel puts comfort at your fingertips by allowing you to smoothly adjust temperature settings.

Push Start Button

Power up your engine with a touch of the Push Start Button, which sports a new, ultramodern design.

Hands-Free Telephone Steering Switch**

Easily accessible buttons allow you to safely stay in touch by accepting or rejecting calls while your hands remain on the wheel.

Your Big Playground.

Welcome to the driving seat of fun. Jazz is filled with tech innovations you'll never get tired of playing with.

Touchscreen Display Audio**

Innovation takes centre stage with a mesmerizing touchscreen that invites you to explore.

Call Function**

Sync your phone via Bluetooth so that contacts are a quick call away.

Audio Display**

Set the mood for your drive by spinning tunes through an intuitive audio system interface.

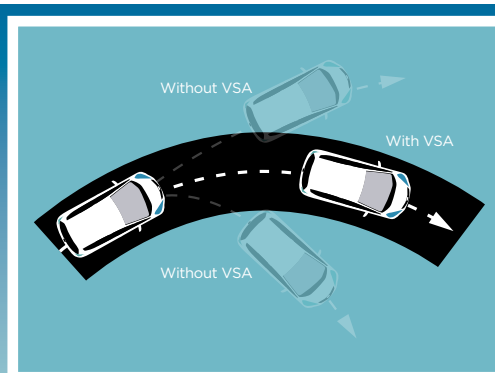

HDMI Connectivity**

Enjoy the familiarity of having your smartphone apps on the touchscreen via an HDMI port.

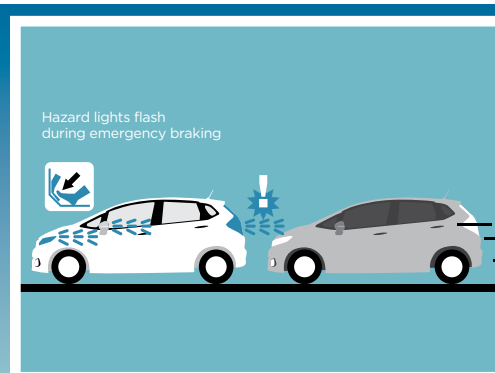

6 Airbags*

Protection for the people you love comes from Dual Front SRS Airbags, Side Airbags and Side Curtain Airbags.

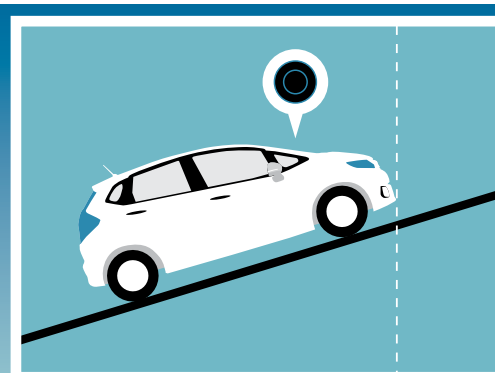

Vehicle Stability Assist (VSA)**

Stay on track with the help of VSA, an advanced safety technology which reduces understeer or oversteer around tight corners.

Emergency Stop Signal (ESS)**

To alert other drivers to stay clear, hazard lights flash automatically on sudden braking.

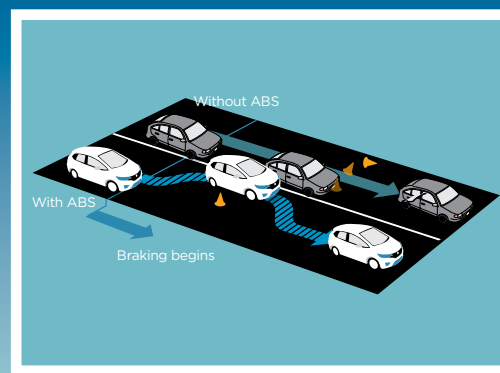

Hill Start Assist (HSA)**

Helps to prevent the car from rolling backwards when the brakes are released on an incline.

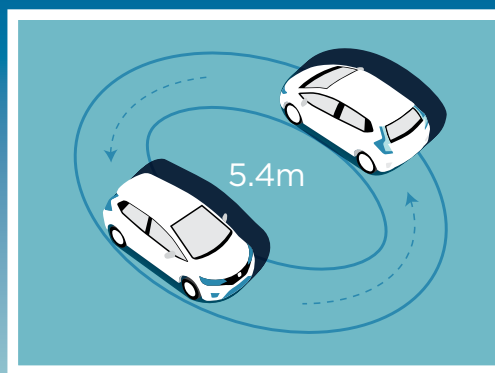

Your Big Peace of Mind.

Jazz carries all that is precious to you. That's why safety is our biggest commitment, with every car equipped with the most advanced safety features.

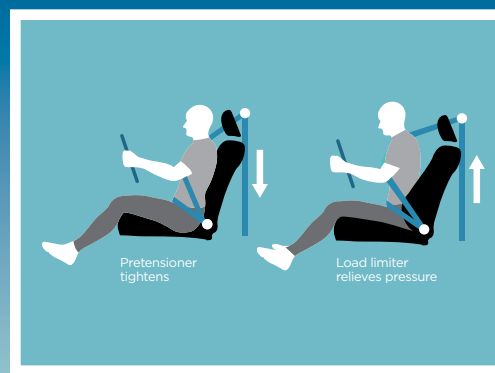

Anti-Lock Braking System (ABS)

To help you stay in control during emergency braking situations, ABS prevents the wheels from locking so you can steer to safety.

Minimum Turning Radius

If you find yourself in a tight corner, a small turning radius of 5.4m lets you maneuver with ease.

3-Point ELR Seat Belts with Pretensioners and Load Limiters

Pretensioners tighten to prevent the body from moving forward and load limiters reduce pressure on the chest.

ISO Fix

Safely install and secure child car seats with ISO Fix, the global standard for child car seat safety.

SPORT HYBRID *i-DCD*

Intelligent Dual-Clutch Drive

JAZZ

HYBRID

7-Speed Dual-Clutch Transmission

Dual clutches allow for quick shifting through gears to enhance the sporty drive.

High-Power Lithium-Ion Battery

A technology advancement creates a compact yet durable and high-power battery with higher capacity for better performance.

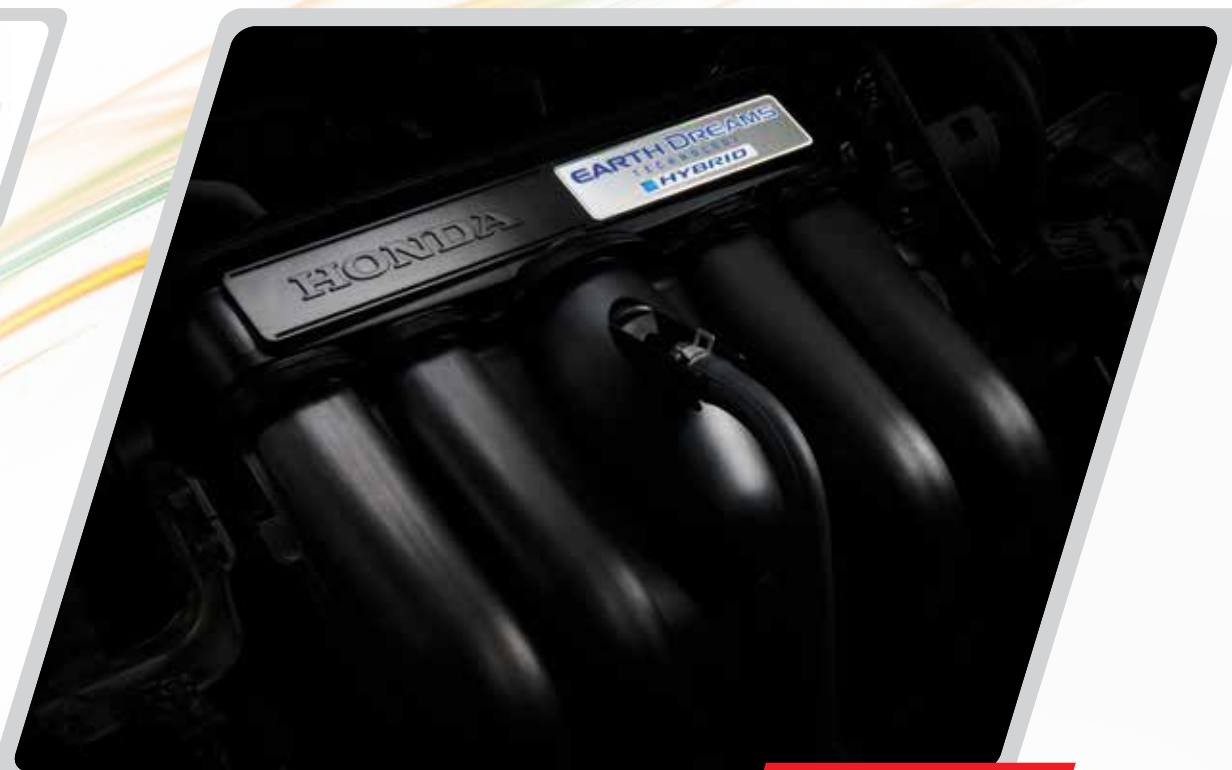

Fully Electric Driven Compressor

By forgoing a belt-driven compressor for a fully electric system, the load on the engine is reduced and the air conditioner continues to cool even when your car is idle.

Electric Servo Brake System

A specially designed system that gives you a smooth braking feeling at all speeds.

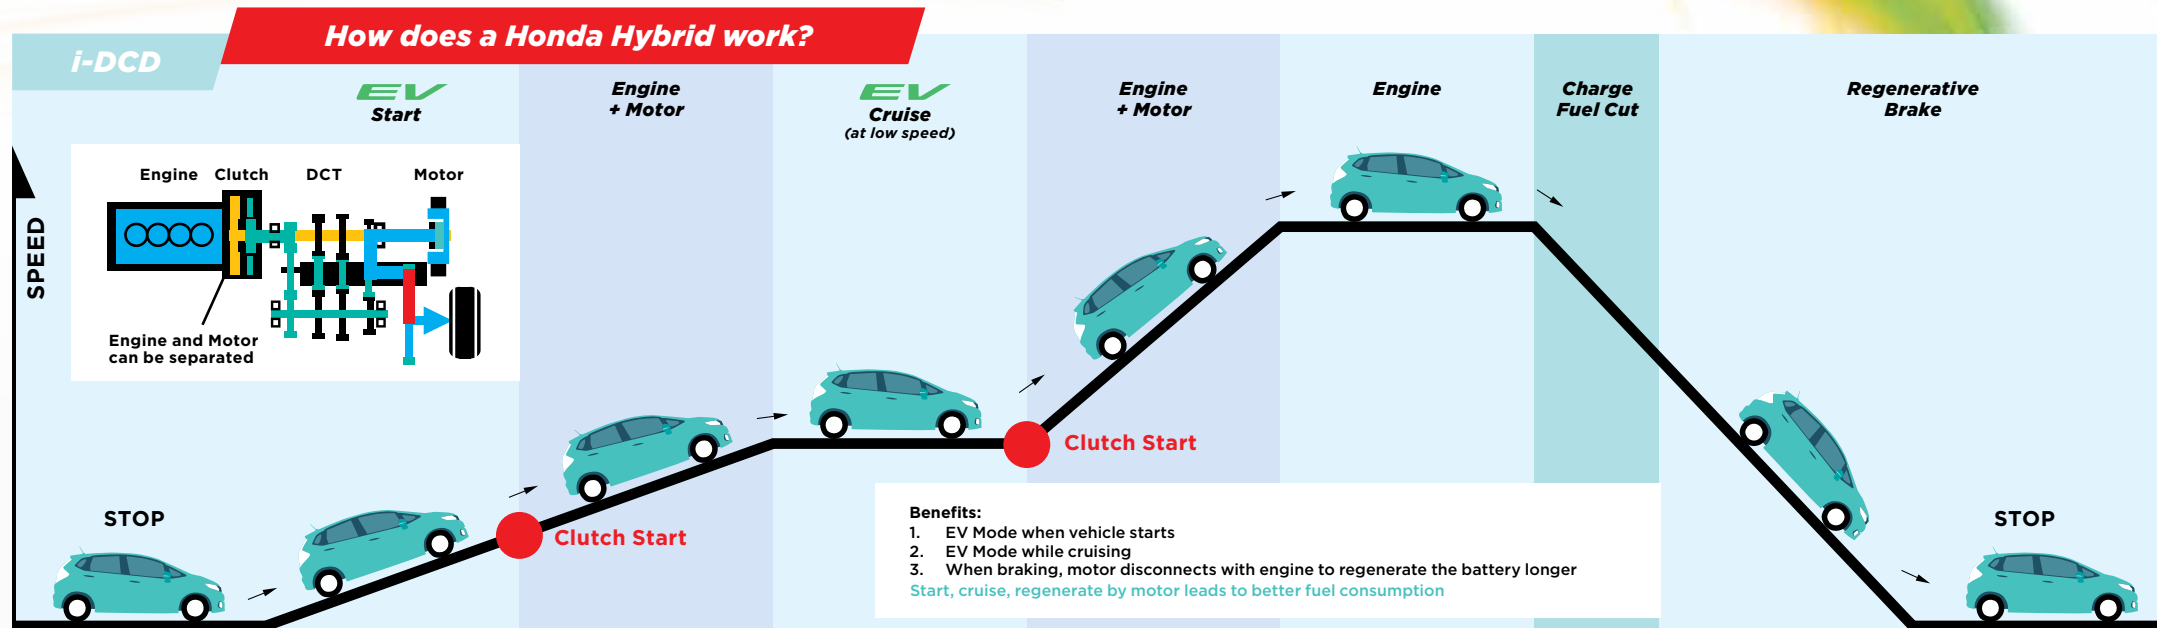

New 1.5L DOHC i-VTEC

Advanced engine provides outstanding fuel efficiency.

MOVE TO THE SPORTIER SIDE OF JAZZ

Developed under the Sport Hybrid concept, Jazz Hybrid realises the fun of a sporty drive balanced with the eco-efficiency of 4.0L/100KM* with its i-DCD system. This switches seamlessly between a fuel-efficient electric mode and thrilling sport mode, a combination of electric motor and engine power that gives you the equivalent horsepower of a 1.8L engine.

Find out more on hybrid technology at Honda Malaysia's website

Shift By Wire

A cutting-edge design for the gear stick, developed especially for Honda Hybrids.

Sport Mode

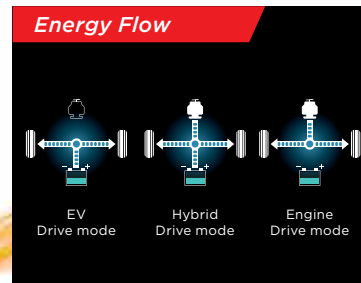

Press the 'S' button to enter into the exhilarating Sport Mode.

Meter Cluster

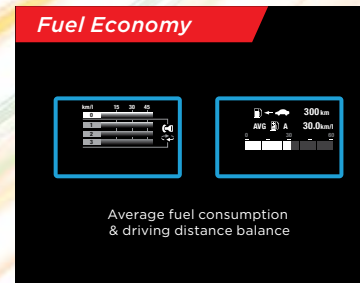

A stunning meter cluster with Multi Information Display that shows where your car is drawing energy from, an analysis of your fuel consumption and more.

Multi Information Display

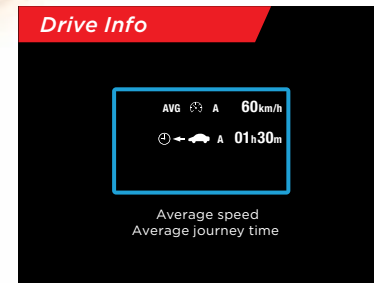

Energy Flow

EV Drive mode
Hybrid Drive mode
Engine Drive mode

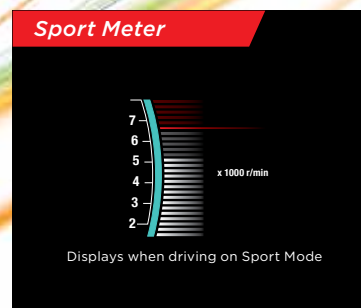

Fuel Economy

Average fuel consumption & driving distance balance
